AI ASSISTED SYSTEMS AND APPLICATION DEVELOPMENT

Builds applications, dashboards, integrations and automations with AI assistance, owning requirements, architecture, prototyping, testing and revisions. Researches existing tools and open-source components. Independent work includes **Merchant PRO** for purchasing, sourcing, landed cost and inventory.

PROFESSIONAL EXPERIENCE

More Margin Co.

2025-Present

Founder / Consultant | Retail Development, Sourcing & Business Systems

- Delivered the **DJI Fifth Avenue flagship** with the team over eight months: financial modeling, build coordination, merchandising, training and replenishment. Opened around February-March 2026.
- Integrated STC's customer, warehouse, product-information and accounting systems; continues to support complex projects.
- Expanded NuvoMed into outdoor retail, including Fun Town RV, Camping World and REI, and helped develop Home Depot/Lowe's display programs. **Estimated contribution: \$5M+ in revenue over ten months.**

Fun Town RV

2021-2024

Director of Sourcing, Retail, Aftermarket & E-Commerce

- Built an internal sourcing business that reached **\$3M in sales in under one year**. Developed KAMPTIME and USA Rec. Supply; reported margin on selected factory-direct products increased from **28% to 79%**.
- Designed and initially implemented connected product data and Shopify operations: **30,000+ SKUs**, POS, online channels, internal ordering, replenishment and third-party fulfillment. Expanded across **six locations and two divisions**.
- Designed branding, layouts and merchandising standards for stores, including the Corsicana flagship.

Big Box Group

2019-2021

Partner / Consultant | Business Development, Sourcing & Operations

- Developed sales channels through international supplier relationships. Created the **FitBox shared-space concept**, including tenant mix, layouts, lease economics and shared services.
- Raised lease-contingent prototype capital; returned funds before signing when COVID changed conditions.

Camping World

2017-2018

VP, Product & Business Development

- Reported directly to Marcus Lemonis and led **hundreds of people across departments** on a **\$300M+ transformation program**, connecting branding, store layouts, merchandising and product development across four businesses.
- Led initial store sets and developed **20+ category shop-in-shop concepts**. Contributed to the wider Gander program that rebuilt and merchandised **80+ stores in under 18 months**, with teams prepared for opening.
- Proposed indoor RV sales within oversized stores, an approach the company adopted; helped develop an express dealership format supported by RV delivery logistics.

Marcus Lemonis LLC

2015-2016

COO / VP of Business Development

- Worked with Marcus, business owners and producers on approximately **80% of his family-office investments featured on The Profit**; developed plans, coordinated transformations and shared resources across businesses.
- Redesigned and remerchandised the approximately **8,000-square-foot W82 store** as seven shops within one space. Developed Bentley's repeatable fixture approach, Bowery's layout and reporting improvements, and the Denim & Soul concept through operating handoff.

COURAGE. b / ML Fashion Group

2008-2018

Founder / Owner | Built alongside executive roles

- Co-founded and funded the family apparel business; managed store openings, leases, manufacturing, logistics and pricing. Built an early assortment of approximately **90% private-label merchandise**.
- Developed production relationships across France, Italy, China, India, Vietnam, New York and Los Angeles. Expanded into multiple US markets; a partial sale to ML Fashion was followed by acquisitions and additional openings.

The Sharper Image

2006-2008

Product Development Director

- Worked directly with the CEO on product direction and merchandising across stores, catalog and e-commerce. Developed supplier and private-label programs, negotiated approximately **\$1M annually in catalog co-op funding**, and helped develop the brand's licensing approach.

Kirshenbaum Bond + Partners

2005-2006

Junior Analyst, New Business Development

- Coordinated cross-agency pitch work supporting wins including Priceline, Mrs. Butterworth's, Diageo and The Sharper Image, plus account expansion for Edward Jones and Snapple. Recruited by The Sharper Image into product development.
